

# Millionaire Money Game

*Expanding Your Mind to Accept  
Absolute Abundance and Plentiful Prosperity - Starting Today!*

**Monday 12<sup>th</sup> April, 2010**

Dear YOU,

Today's deposit:

---

Amount: \$80,000 – Eighty Thousand Dollars

Deposited into: Your Account

From: The Bank of The Universe

---

Isn't it a delight as your abundance continues to flow and grow?

Are you continuing to commit to a life of prosperity by actually playing the game, rather than reading and not following through?

Just how much DO you want to attract more riches into your life?

How serious ARE you about living the life of your dreams?

Have fun, enjoy, and continue to print off your letters, continue to imagine yourself buying and spending and enjoying this wealth. Continue to write down what your money is being used for and most of all, continue to see it in your minds eye, and feel it in your body.

It's that simple, it can be that easy, so why then do so many fall by the way side?

... Because they don't understand just how powerful these weekly letters can be. They think creating a life of prosperity must surely involve some more complicated strategies.

There are doubters and there are believers. Where do YOU stand?

Doubters continue to doubt and their life remains the same, believers create and manifest and their lives change forever. Believe in the simplicity, believe in the power, believe in yourself.

The Universe is waiting to deliver.

Have a wonderfully prosperous week!
