Absolute Abundance and Plentiful Prosperity - Starting Today!*

Dear YOU,

Today's deposit:

---

Amount: \$1000 – One Thousand Dollars  
Deposited into: Your Account  
From: The Bank of The Universe

---

Dear Beloved One,

Since you are so loved and cherished, we, at the Bank of the Universe have decided to deposit money into your account for the rest of your life.

This is not a loan and we do not expect this money to be paid back! It is our gift to you, just for being you! All we ask, is as you go through your day, you look for ways to spend this money that will give you joy.

You may use this money in any way you desire. It is preferable that you SPEND the money, rather than saving it for later, as we will continue to send you more and more money each week. It is preferable that you spend this money on yourself. Get used to spending on yourself, feel how good it feels to spend on yourself, feel the decadence of spending on yourself – knowing more is coming your way.

This is just the beginning. We would advise that you take some time over the next week to keep your eyes open for things that 'make your heart sing'. When you see something you would like to have, write it down, cut it out, make a note, so that as the money continues to flow to you, you have a list of things you can easily bring to mind to purchase.

If you haven't already read through the How To Play section at <http://www.millionairemoneygame.com> – NOW is the time to do so. The more YOU put into the game, the more you will get OUT of the game!

If you miss any of these letters from the Bank of the Universe, they will be available to you through an archive – I will advise in a separate email later this week where you can access this archive so you won't miss a thing!

Your prosperity flood is beginning with just a trickle – have fun, enjoy, be grateful, be prepared for the flood of abundance, expect the flood of prosperity, anticipate the flood of wealth and above all else, know you are loved and cherished.

Yours in ever lasting prosperity and abundance,

*Sandy Forster*
