

Millionaire Money Game

*Expanding Your Mind to Accept
Absolute Abundance and Plentiful Prosperity - Starting Today!*

Wednesday 23rd June, 2010

Dear YOU,
Today's deposit:

Amount: \$40,000 – Forty Thousand Dollars
Deposited into: Your Account
From: The Bank of The Universe

Do you realise that if you prepare for your money, imagine being wealthy, anticipate your riches, believe it is here, decide where it will go, feel the abundance, experience the spending (in your mind) - you are opening yourself up to receive even more?

That's what this game is all about. Seeing it in your mind's eye, feeling it in every cell of your being.

For your reality to change around money, YOU must change around money. YOU must change inside, YOU must change on a cellular level. To do this, you must continue to...

Imagine, anticipate, believe, decide, feel, experience, and you will begin to change, from the inside out, you will open yourself up to accept the everlasting flow of abundance.

NOW...what if it all seems to be going wrong, what if you have been doing all the 'work' but the money is not showing up? This can happen, and you may think you are the only one - you may think this works for everyone else, but you!

Well let me tell you (speaking from experience) this DOES work, not all at once for everyone, but it DOES work and when you put yourself in alignment energetically with abundance and prosperity, there is NOTHING you can do to keep it from showing up in your life!

So keep playing, keep feeling how good it feels to spend your money. Keep expanding your comfort zone, keep thinking bigger, dreaming grander and expecting more - it's on the way!

Yours in everlasting prosperity and abundance,
