Dear YOU,
Today's deposit:

Amount: \$2000 – Two Thousand Dollars

Deposited into: Your Account

From: The Bank of The Universe

Lovely....more money to enjoy.

Whatever you decide to do with this money, please take the time to print off this letter, write on the back how you will use this money, and most important of all take 5 minutes out of your day to close your eyes, imagine yourself spending that money on the thing you desire, imagine how wonderful it feels, fill your body with the experience of having, or doing whatever it is that you are using the money for.

The idea is to experience it in your body, using as many senses as you can. This is how you become more 'attractive' to money, this is how you begin to draw more of what you desire into your life.

Take time to write down on the back of the letter the feelings you experience as you do the closed eye visualisation.

If you have not already done so, please visit <http://www.millionairemoneygame.com> and visit the How to Play and FAQ pages for full details of how to play the game. If you fully immerse yourself in the experience, you will not only enjoy yourself more, you will become more of a money magnet.

Remember, you are to spend this money 'in your mind' – that is how you will experience more money begin to flow into your life to really spend!

Also, if you ever miss a letter – just go to the archive for THIS game, which is available by clicking on the aqua dollar sign at the top of the very first page of the website.

Remember, there is always more money on the way!

Yours in everlasting prosperity and abundance,

Sandy Forster
