Dear YOU,
Today's deposit:

Amount: \$6000 – Six Thousand Dollars
Deposited into: Your Account
From: The Bank of The Universe

Hello my beloved. I always love you; I always adore you; you are so special to me; you are a unique human being; one of a kind and my heart sings each time I see you feeling so happy and light and full of enthusiasm.

So enjoy this delightful money, spend it in whatever way makes your heart sing and remember, more is on its way!

Oooooohhhh – as the amounts are getting bigger, how are YOU feeling about it all? Are you excited, nervous, scared, elated or all of the above?

Remember, take this letter, print it off, place it in your Prosperity Binder. Over the next few days (before your next letter arrives) make sure that every time you see something you would love to have in your life, you 'buy' it (in your mind).

Feel how amazing it feels to be able to buy what you please as you go through your day.

When you come home, write what you have 'purchased' on the back of your letter, write how it feels to now own it, write what you now do with it and how you enjoy it. Go into detail, feel those feelings – it is your feelings that create.

You must see it in your mind's eye, you must feel it in your soul and then it will appear in your physical world.

Have fun, enjoy the game – the money will continue to flow!

Yours in everlasting prosperity and abundance,

Sandy Forster
