

Millionaire Money Game

*Expanding Your Mind to Accept
Absolute Abundance and Plentiful Prosperity - Starting Today!*

Friday 2nd July, 2010

Dear YOU,
Today's deposit:

Amount: \$200,000 – Two Hundred Thousand Dollars

Deposited into: Your Account

From: The Bank of The Universe

When you receive your money, do you immediately flood your body with grateful feelings in anticipation of what you will spend it on?

Or do you stick it in the 'read later' file, or worse yet, skim through then delete?

What you do with your letter each week has a direct bearing on how much abundance you allow into your life.

If you 'play the game' as if it's real, begin to keep your eyes and ears open throughout your day as to ways you can 'spend' your money, and allow your imagination to run free, you are putting yourself in energetic alignment to receive prosperity.

You open yourself up to receive and move into a more prosperous flow. You **MUST** engage your feelings for this to happen.

If you just read the letter and don't do anything with it, then you are missing out on the best part. You **MUST** put yourself in the picture and feel abundant, prosperous, wealthy and rich in your body so you then attract these things into your life.

You can read past letters you may have missed. Just go to <http://www.millionairemoneygame.com> and on the front page, at the bottom of the page, click on the purple dollar sign and it will take you to the archive for this game.

Have a wonderfully prosperous weekend!
