Well, my cherished one, the day has come. Today is my final gift to you... but of course, only my final gift in this game, as I will ALWAYS continue to flow money to you, in the form of abundance, prosperity, wealth, riches and love.

But what a lovely gift you have received, don't you think? Even the words 'One Million Dollars' have such a melodic ring to it, don't you agree?

And to think, today you have One Million Dollars deposited into YOUR account. Did you ever think that would happen? How does that make you feel?

Now really, how does your body actually feel? What sensations are flooding through you as you become one with the Million Dollars in your account?

Flood your body with those feelings of having one Million dollars in your bank account. Take the time over the next few days or weeks to thoroughly enjoy looking for further ways to spend your money, to make your heart sing.

Continue to feel rich, feel abundant and feel prosperous. The more you feel these things in your body, the more you will attract them into your life. It's that easy, it's that simple.

BE abundance, and the abundance will appear.
